

## Human Resources Director

- **International Award Winning Company**
- **Arabian Gulf Location**
- **Leading Brand Franchises**
- **Tax Free Salary and Expat Benefits**

This immediately recognisable, global brand owns the largest beverage processing plant in the Middle East region, and is responsible for several major international franchises.

Our client runs numerous production lines, with a plant capacity of over 55 million cases per year.

An opportunity now exists for an experienced HR Director to join their team and manage the busy HR and recruitment functions

This is a key opportunity to become part of a worldwide market leader and drive their HR operation

This role reports directly to the General Manager and is responsible for a multi cultural working environment with high volume/global recruitment strategies.

Experience of working at a Strategic level is also key as this organisation is currently undertaking a number of high profile, growth area, projects.

The successful applicant will be an experienced, degree qualified HR professional with a background in high volume manufacturing (in particular beverage industry experience).

This company is an award winning world-wide brand. An attractive expatriate package will be offered to the appointee including tax free salary, free housing and transport, medical cover. Generous paid leave and return, paid air tickets are also included.

Ideally, this role may be more suited to applicants without children of school age, or able to work as single status.
